Sign Up for ABCmouse Today to Extend Learning Home

We're using ABCmouse in our classrooms to boost reading, science, math and social skills. As an enrolled student, your child can use the same ABCmouse program at home. It's a fun, interactive online learning tool that can easily fit into your busy schedule. ABC is as easy as 1-2-3. Here's how to get started:

1. Grab your child's activation code (you'll find it in the letter we sent home).

2. Redeem the code here (link to redeem page):

3. Sign up! You'll be connected to your child's school day with activities to do at home.
